Subject: FWRD: 7-ELEVEN JUNE DORAL B2G1F/B1G1F V

Jeff,

As information, transfers for the June Doral B1G1F and Doral B2G1F promotions are being handled this week - therefore, it is too late to add stores to McLane templates from outside Regions in time for model inclusion. Our Region has already completed the transfer process for these promotions based on current Templates.

J. Campbell / 1610
